RULES I have read understand and agree to the following rules. Please Initial (This is required)

WE STRICTLY ENFORCE ALL RULES

_____ **Smoking:** This is a no smoking trip. Any student caught smoking will be subject to disciplinary action. Smoking is not permitted in hotels, hotel rooms, buses, or within 50 meters of the hotels or buses. Because of a serious fire hazard, no smoking is allowed in the National Parks, on hiking trails, or in the parking lots of National Parks. Most Americans find smoking offensive and teenage smoking is illegal in every U.S. State for people under the age of 18 and 19 in some states. Any damage caused by smoking is the student's and his roommate's responsibility as well as other penalties.

_____ **Drugs, Alcohol, Illegal Activities:** Drug use or drug possession is a felony crime in all American states, and being caught will result in long jail sentences. The drinking age in all American states is 21 years of age and under-age consumption of all alcoholic beverages (including beer, wine, and liquor) is considered a crime. Any tour participant who is arrested for any reason will have to find their own attorney and will become the responsibility of their home and host Rotary Club. We will not delay or alter this trip for anyone who is arrested; the tour will continue on without you. Anyone reported using drugs or anyone participating in illegal activities on the tour will be sent home at their own expense, with no refund for unused portion. Drinking alcoholic beverages and using illegal narcotics by Rotary Exchange students is strictly prohibited and absolutely will get you expelled from the tour. Stealing or assault will result in expulsion from the tour.

This trip is part of your Rotary Exchange and sexual activity by the students is prohibited on this trip. Tour leaders will define what sexual activity is. _____ **Public Nudity:** Any student who participates in public nudity or implied public nudity by themselves or in connection with others will be subject to termination from trip. This especially applies if students photograph nudity and published said photograph on social media.

_____ **Being on Time:** We are traveling a great distance and seeing a great number of places. On travel days this requires early departures and tight schedules. Wake up will be 6:00am and you are required to be on the bus at 7:15 am. Between those times you will be required to dress, pack your bags and eat breakfast. Departure will be at 7:30 a.m. sharp. Being on time is critical. Each night you will be given the schedule for the next day. If we leave late we will have to delete items from the itinerary and your coach will miss out on some tour elements. When tour leadership instructs you to get on the bus or return to your room you will do so without delay. Students chronically late on Eastern trip will not be permitted on any other Rotary tours.

_____ **Motor coach Rules:** Motor-coaches must be kept clean and orderly. No yelling or disturbing the driver. No standing in the aisles is permitted and students must be sitting at all times. No musical instruments can be played on the bus. Bringing of guitars and other instruments is prohibited and they will not be stored on the bus. They must be sent home or left behind. No speaker systems are allowed. Students can use personal devices like MP3 players and CD players with headphones.

_____ **Hotel/Rooming Rules:** I will allow the Leaders and Chaperones of this trip to enter my room without notification and inspect my room, my luggage and personal belongings. I understand illegal substances like drugs will be turned over to local law enforcement authorities. If drugs are found in rooms, all room occupants are liable for criminal prosecution or being sent home at our own expense with no refund. I will be quiet and in my room by 10:00pm. There is no excuse for being out of my room after 10:00pm. If I am caught out of my room after 10:00pm I understand I am subject to punishment. As hotels have other guests, noise is not allowed after 10 p.m. Tour participants MUST be out of the public areas at 10 p.m. Running, excessive noise, or excessive behavior or noise will not be allowed in the hotels will not be tolerated at any time of the day. Students are not to play ball (of any sort including Frisbees) in parking lots. No bedding or hotel property is to be taken or damaged from the hotels. Damage to hotel property must be paid for by students. All incurred expenses (movies, room service, etc) in hotels are to be paid by the students and or their roommates.

PLEASE READ ALL EMAILS – They are put on the website after they are sent. If you are not getting an email contact bill.mcmurray@gmail.com or call 614-517-7702.

We need the Student's, District Chairman's, and Club Advisors correct names, email address and telephone numbers, which we can call at any time of the day or evening hours. We MUST be able to convey information to students and their advisors quickly and get in touch with advisors if the student has difficulties on the trip. Yahoo and Gmail are the best free mail servers

Make sure your birth or adoptive parents send, email us permission and medical permission for you to go.

- 1. We need up-to-date medical information.** The major issues we deal with are asthma, passing out, chronic depression and dehydration. This knowledge can save the student's life. We also need to alert the student's roommates to issues that concern them.
- 2. SIGN UP FOR TRIPS AS SOON AS POSSIBLE.** The trips sell out early every year. Even if you are waiting for money, or additional information, **send the application temporarily to hold the student's place.** It is first-come-first-served. The trip is open to all Rotary Exchange Students in the US and Canada Rotary District or their outlying clubs. True confirmation is only final when all parts of the application reach McMurray Travel Service.
- 3. WRITE CLEARLY, or TYPE the application.** This is a Word document and you can fill it in on Word. DO NOT USE European letters (particularly French writing styles which can be misunderstood). Write in English block letters, especially numbers. **Email addresses MUST be very clear to understand.**
- 4. Student Recommendation:** If a student has been under threat of being sent home for behavioral issues, DO NOT SEND THEM ON THE ROTARY Trips. Any issues the student has are exacerbated on this trip. Be truthful and objective in your evaluations. If the student has to be sent home it is ultimately your responsibility. It is important that Rotary people let the students know the trip is a serious event and rules are strictly enforced.
- 5. This trip is both a cultural, educational experience and a chance to meet other exchange students. Rooming is important. Select one roommate while filling out the application.** When in doubt always go with your District exchange students or fill out "doesn't matter". Meet new people. 35 days before each trip rooming list is final and rooms can't be changed FOR ANY REASON. We do not guarantee rooming requests.
